Kallins, Little, and Delgado Attorneys at Law
433 8th Ave West
Palmetto, FL 34221

Greetings Kallins, Little, and Delgado Scholarship Committee:

Thank you for your generosity!

It takes time, energy, and resources to fund your scholarship program. It also demonstrates your unwavering faith in the students of our community. I want to tell you that your efforts to support us make all the difference. Your scholarship allows many students like me to move forward in our education and continue improving our own lives, as well as those around us.

In addition, thank you for hosting the scholarship dinner. It was wonderful to meet the people who made this scholarship possible as well as some of the other friendly and bright students in our community. My family and I were honored to attend.

As I head to Boston in the fall to study engineering at the Franklin W. Olin College of Engineering, I will definitely miss Florida. Eventually I hope to return to the Sunshine State to live and work...and if I ever have a legal issue, you will be the first firm I call!

With gratitude,

Gracey Wilson
